Scarlet Door Signature Facials

Supreme Signature Facial : \$99

A customized facial geared to your specific needs.

European Signature Facial: \$80

Hydrate, detoxify, re-mineralize and heal your skin with this deep cleansing facial.

Radiate Facial: \$70

Suited for all individual skin types, tone and other problems. A good basic facial.

Advanced Skincare Facials

Microdermabrasion: \$95

Microscopically abrasive crystals gently remove the outer layer of the skin. Softer skin moves to the surface, revealing significant textural and color changes. A soothing and hydrating mask rounds out this dramatic treatment. Skin is brand new.

Oxygen facial: \$95

This is the Little Black Dress of facial treatments, perfect for a special occasion day. Your skin will look as if it is lit from within. After a thorough cleansing and exfoliation, pure oxygen along with vitamins A, C, and E are propelled deep into the skin visibly improving texture and elasticity.

Dermaplaning: \$75/\$45 (as an add-on service)

A safe and highly effective physical exfoliation procedure. It requires the use of a sterile, surgical scalpel to gently "shave" the skin's surface, removing the top-most layer of dead skin along with fine, vellus hair.

Micro Peels: \$85-\$95

Glycolic or kojic acid is applied to penetrate the out and middle layers of skin to remove damaged skin cells. The treatment is used to improve age spots, fine lines and wrinkles, freckles and moderate skin discoloration. A Series is recommended.
