**WHY GIVE?**

## OUR TENANTS LOVE STAYING ACTIVE!

We frequently offer group bus trips to meet the demand of our active tenants. Outings often consist of destination tours or scenic drives. Past opportunities have included: John Deere Museum, Riverboat Cruise, Grant Wood Art Museum, Kendrick Forest Products/The Market, New Melleray Abbey, Park Farm Winery, and many drives throughout Northeast Iowa! Securing an additional vehicle will facilitate more outings campus wide. The sprinter van will be a much more comfortable ride and more conducive for longer trips.

Please consider being the reason our tenants make beautiful memories and smile through our future miles of fun and adventure!
