

Business Office

April is a reminder that life is a beautiful, ever-renewing cycle. The clocks have moved ahead, the Easter Bunny hopped on by, and Jesus is Risen! While our Iowa winter has given us plenty of warm sunny days, it is a great feeling to bring in spring and to look forward to summer.

For the Business office, April is a busy time of review as our annual financial audit begins. We will thoroughly review the entire year of 2023 with our external audit team to ensure we are in compliance and continuing with best practices. This is an extensive process and likely won't wrap up until July.

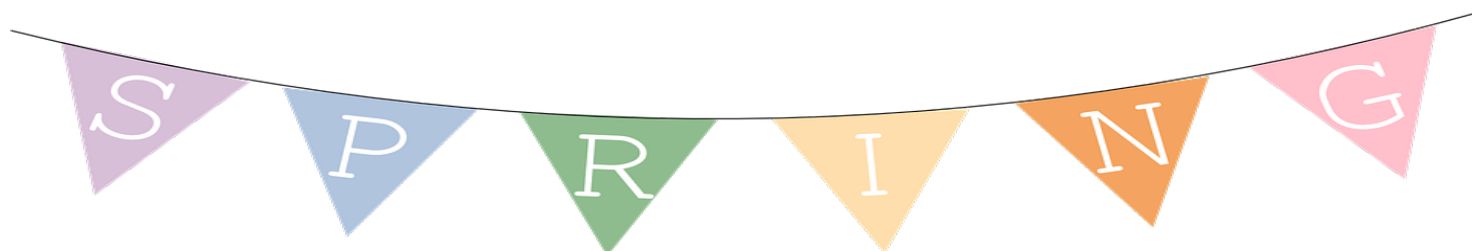

Our office serves as the financial contact for the whole campus which encompasses roughly 165 tenants/residents/condo owners. We are a knowledgeable team who can help you with any of your billing questions, insurance questions, or Medicaid concerns. Navigating the cost of long-term care or assisted living can be challenging, but we do our best to help take that burden off you.

Did you know when you call in to the main GNS line, the business office is the first to answer? We love to hear your voices and help get you in touch with who you need. Our office is located right inside the main front entrance, so we are the first to greet you as well. Seeing your faces makes us smile each day.

On behalf of the Business office, we want to wish you a beautiful spring full of happiness. May God bless you!

Mackenzie Engelken,
CFO

Recurring Events

Exercise Class

Twice a week our team, with the help of our Restorative nurse here at GNH, offers a head to toe exercise group. All residents are encouraged to participate! Moving your body as much as you are able will help you stay in motion as long as possible. We always keep this group fun, fresh, and adaptive to all ability levels. We also play fun word games regularly to keep your minds thinking in creative ways!

Wine Tasting/Happy Hour

Now that we are able to come together again, Happy Hour is back and Wine & Cheese tasting has been added to the calendar. Nice music, good food and fun fellowship are our goals for this recreational activity. These are resident favorites.

Pamper and Polish

Join us every other week to enjoy a relaxing spa experience. We use various relaxing techniques, which include: aroma therapy; warm towels; hand massages; and more. Quick paint touch ups are offered and light filing. Only nurses and bath aids are certified to cut nails. If you need your nails cut, please let your nurse know before Pamper and Polish.

Religious Services

- Every Sunday morning, our Non Denominational Church service is lead by our Chaplin, Joy Jager.
- Once a month, Pastor Phil leads Methodist Communion.
- Every Thursday, Father Louis & Father Kremer lead Catholic Mass

Group activities are subject to change.
Please reference your Community Calendar and LifeShare screens for the most up to date activity schedule.

Town Talk

Every month, residents get together with the Recreation Director to talk about any comments, suggestions and concerns they may have. We also talk about upcoming events, updates, and ask for your suggestions for the next months community calendar. The purpose of this meeting is to record any concerns/suggestions and get them to the right place, so we can work on a solution, but also to keep you updated on what is going on here at Good Neighbor Home.

Fold N Stuff

At the end of every month, residents get together to help fold the next month's newsletters. This is a relaxing social group.

Beauty Shop

If you would like your hair done, let your recreation team know, and they will get you on the beauty shop list. Our beautician will get you in as soon as there is an opening!
