Neighborhood News | APRIL 2025

April is here and we can't believe we are a quarter of the way through the year! The business office is here to support you always!

Our office staff plays an essential role in creating a welcoming and supportive environment for families, visitors, and residents. From greeting guests to assisting with phone calls and managing administrative tasks, our office team is often the first point of contact for individuals seeking information or services.

Mackenzie Engelken
CFO

We love to meet new faces and visit with familiar faces.

Note:

Over the course of the past several months, many of our residents/tenants were assigned new Medicare numbers. If you receive a new red, white, and blue Medicare card in the mail, please provide a copy to the Good Neighbor Society business office.

If you have any questions regarding payment processes, insurance, or other business office-related topics, don't hesitate to reach out to our office team—they're happy to guide you through the process.

Happy SPRING!!
