

It is that time of the season again!

What better way to show your holiday spirit than by donating a toy to a child. Nothing is more precious than a child's smile when they find a gift with their name on it on Christmas morning. Make a child's day bright. Donate a toy.

You can donate toys at **Genesis Chiropractic Health Center**
December 1st thru December 20th

For every toy donated, Genesis will put your name in a raffle for a complimentary massage

Thank you for your generosity and Happy Holiday's
Happy Holidays!
