

I understand my student to participate in any and all field trips listed below throughout the school year. Events will take place between August 1 and July 31st. These trips will occur for any of the ensembles within the instrumental music department. Any trip is to be led by Mr. Herrera or another MCS Music teacher. Transportation will be by bus, charter, district vans, or parent drivers. Additional fieldtrips may be added throughout the school year. I understand that my student will be responsible for their actions and words. I also understand that the Education Code 35330 provides, in parts, as follows:

"All persons making the field trip or excursion shall be deemed to have waived all claims against the district or the State of California for injury, accident, illness, or death occurring or by reason of the field trip or excursion."
